

We moved to a new location!

Expanded Cardiology in the Heart of Anacortes

Offering more expertise and space to serve you

- Convenient downtown location
- Additional staffing to support routine cardiology care (heart disease prevention, diagnosis, management)
- Larger space featuring more comfortable exam and treatment rooms
- Convenient appointment scheduling and decreased wait times
- Expanded days and hours for services, including diagnostic echocardiograms (a noninvasive test to assess the heart's function and structures)
- Access to advanced care and treatments (at PeaceHealth St. Joseph Medical Center in Bellingham)
